TO: Judge James B. Loken, Chief Judge
United States Court of Appeals
for the Eighth Circuit

Date: 10-7-05

FROM: Charles B. Kornmann
United States District Judge
District of South Dakota

SUBJECT: Advance Authorization for Expert or Investigative Services

It is requested that advance authority be granted to obtain services in an amount in excess of the maximum allowed under the provisions of subsection (e)(3) of the Criminal Justice Act (18 U.S.C. § 3006A) as follows:

Case Name and Designation: USA v. Anthony Hero
CR 05-30076

Name of Expert or Investigator: Dave Dunn
Address: 302 E. Missouri Avenue

Type of Expert: Investigator

Reasons for Application:

To complete the investigation. PI Dunn has exhausted the \$1600.00 previously allowed by the Court + is not finished with his investigation.

Estimated Compensation/Fee: \$2000

I certify that the estimated compensation or fee in excess of the maximum set forth in subsection (e)(3) of the Criminal Justice Act appears necessary to provide fair compensation for services of an unusual character or duration and therefore recommend approval of this advance authorization in the amount of \$ 2000.00.
